

MNCYN Strategic Plan Summary 2014-2017

Quality Health Outcomes

1. Implement the Baby Friendly Initiative - the best possible start in life for newborns.
2. Support the provision of care closer to home.
3. Support the work of the Provincial Council for Maternal and Child Health.

Improved Systems Integration

1. Expand data collection and reporting capabilities.
2. Standardize breastfeeding surveillance.
3. Review appropriateness of paediatric transfers to the LHSC Emergency Department.
4. Develop a Regional Public Health Consultant position.

Improved Asset Management

1. Provide outstanding education opportunities.
2. Assess the needs of the end of life population.
3. Advocate for the provision of culturally competent services.
4. Create a sustainable MNCYN Scholarship Fund.

Enhanced Learning and Growth

1. Complete the Perinatal Capacity Assessment project.
2. Develop additional telemedicine consultation services and telemedicine clinics with our regional hospitals.

VISION

Healthy partnerships for healthy families.

MISSION

Promote healthy communities by developing and nurturing networks of relationships based on knowledge and trust.
