Workshops

Workshops will focus on topics listed below. Each participant will have the opportunity to participate in **TWO** of the following workshops, one in the morning and one in afternoon.

- A. Fetal Heart Surveillance**
Ryan Hodges and William Ehman
- B. Difficult Situations: Caregivers Responses When a Complaint is Made**
Rory Windrim with panel representatives from CPSO, RNAO and AOM
- C. Thyroid in Pregnancy**
Shital Gandhi and Kellie Murphy
- D. Infertility and Grief**
Kayli Balaban

Course Objectives

- To review the management of common problems encountered in the antepartum and intrapartum period
- To facilitate discussion and learning around current controversies in primary maternity care
- To provide a forum where maternity caregivers can learn from each other

Accreditation

- This event is an accredited group learning activity under Section 1 of the Framework of CPD options for the Maintenance of Certification Program of the **Royal College of Physicians and Surgeons of Canada** and has been assigned **6.5 credits**.
- This program meets the accreditation criteria of the **College of Family Physicians of Canada** and has been accredited for **6.5 MAINPRO®-M1 credits**.
- For nurses, this course will fulfill the requirement for reflective practice.
