BFI IMPLEMENTATION WORKSHOP

FREE ONE-DAY WORKSHOP TO PREPARE YOU FOR YOUR BFI
IMPLEMENTATION JOURNEY!

ABOUT THE WORKSHOP

All participants will be given a BFI Implementation Toolkit. Facilitators will navigate participants through the resource including an **overview of the BFI**, the **designation process** including **change management strategies**, **lessons learned** from designated sites and common **challenges and solutions**.

WHO SHOULD ATTEND?

It is recommended that organizations send participants who will be **leading** and/or **championing** the BFI in their organization. This might be a manager, nurse educator, coordinator, lactation consultant, etc. The appropriate participants will vary by organization.

UPCOMING WORKSHOPS
