

Pregnancy and Infant Loss (PAIL) Network Compassionate Care Workshop

An open invitation to a FREE one day educational session for professionals who provide care, services, or support to bereaved parents and families during the loss of their pregnancy or infant.

Hosted by: Grey Bruce Health Services

Date: Saturday, September 30th 2017

Time: 0830-430 (0800-0830 – Breakfast and registration for 0830 start; Lunch is provided)

Location: Best Western Inn on the Bay, 1800 2nd Ave E, Owen Sound, ON N4K 5R1

To register, contact: Joshua.katchen@sunnybrook.ca

Deadline to register: September 20th, 2017

Learning Objectives:

- Identify the unique care needs of families experiencing pregnancy loss, stillbirth, and infant loss
- Summarize adaptable and innovative strategies for implementing person-and family-centred supports for this population
- Describe recent provincial legislation on care of this population and implications for pregnancy and infant loss in Ontario
- List available resources for families and care providers
- Apply strategies on 'Caring for the Caregiver'

Topics Include:

- Early and late pregnancy loss, stillbirth, infant death
- Medical termination of pregnancy
- Grief, attachment, and communication theories
- Memory making
- Family-centred care and supports
- Compassion fatigue and Caring for the caregiver
- Existing resources (local and provincial)
- Pregnancy after loss
- Parent panel
- Clinical case scenarios (group discussion)

Registrants Leave With:

- Practical skills, tools, and techniques to support bereaved parents and families
- PAIL Network published booklets and guides for bereaved parents and families
