

CASE BASED ROUNDS: PEDIATRIC HEAD TRAUMA

Presented by:

Dr. Sandrine DeRibaupierre

Wednesday, February 24, 2021

1:00pm—2:00pm

Webex Only

All are welcomed to attend and listen in to this free educational opportunity.

Learning Objectives

1. To educate residents, medical students and staff the importance of quality improvement
2. To demonstrate improvement in clinical management of patients by continually improving trauma-related knowledge
3. To promote and assess the CanMEDS competencies: Communicator, Scholar, Collaborator & Medical Expert. A medical expert should function effectively as a consultant, integrating all of the CanMEDS roles to provide optimal, ethical and patient-centered medical care. This event is an accredited group learning activity (section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians & Surgeons of Canada.
